**CORRECTION/ UPDATE WORKSHEET**  
**Dependent Student**

Dear Student:

We have received a correction to your financial aid application (FAFSA) changing the following parent/student answer(s):

- Asset information (Business, Investments, Cash/Savings)
- Household Size
- Number in College
- Untaxed Income (see other side for untaxed income examples)

Before this new information can be considered, you must attach to this form a statement, dated and signed by you **and** your parent, explaining the reason for making the change(s) after the filing of your original FAFSA.

**In addition to the above listed statement request**, you must submit a **signed** copy of your **and** your parent's 2008 federal income tax return including all schedules and W-2s. If you or your parents did not file or are not required to file a tax return, you and/or your parents must complete and submit a Non Tax-Filer form.
